## THE DAILY STAR

## Burglariously and Feloniously.

We had just locked up the safe, and I I heard the flutter of female wings on eccountant of the North and South of England Bank at its Passey branch, W. R. Yorks. I had got my hat on and had have minded, but I couldn't. I hadn't "Oh," I said, "how thankful I am!

"Douce take it!" he said; "and I'm off

"Sorry for it," I said; "but we can't

ake the money.'

I knew that those drafts were coming tue, and that our manager was a little vas the man with the money bag-Black, there ever such an untoward affair! vas a capital customer; and not only a

notes and £3,000 in gold.

"Come and have a glass of beer with " said Black, "on the way to the sta- laughter.

I put the bag of money in my desk and cked it up. I would come back presantly and have it placed in the safe. I told 'em so, but they only and have it placed in the station with Black; we had come beer together, and then he went off the crib at the time, and he heard you have to the bank; one beer together, and then he went off the crib at the time, and he heard you have to the bank; one phillar Villas. You see I was rather in the habit of calling for a glass of beer as went home, and then going on, and concequently, from the force of habit, I'd been shot, came a noise, a sort of the Muscles, I'most got home before I remembered the and the right with the crib at the time, and he heard you have't got blinds but a wire netting over the window, and anybody outside can see you counting out the gold and silver."

Went home, and then going on, and concequently, from the force of habit, I'd been shot, came a noise, a sort of the Muscles, I'most got home before I remembered the or only draamed of it. I sat up in bed and distened intently. Was it only my our coat pocket, and part to the crib at the time, and he heard you which ought to be exterminated where the crib at the time, and he heard you have't got blinds but a wire netting over the window, and anybody outside can see you counting out the gold and silver."

Went home, and then going on, and concidence of habit, I'd been shot, came a noise, a sort of dull bursting noise. I wasn't really certain at first whether I wasn't really certain at first whether it be not an unmitigated pest which ought to be extended the crib at the time, and he heard you which to the bank; and the substitute out, slumber had just only on whether it be not an unmitigated pest which ought to be extended where out, slumber had just only on whether it is found. That it is a nuisance is and you have't got blinds but a wire net it is found. In the first place, it is, like the sewer-rat, an invaluable scavenger, enting substances which might decay and breed fevers if allowed to decay. It is never seen in dry you up here to yonder, and be seas you to make the crib at ntly and have it placed in the safe. I coarse.

o the bank.

ould pelt. However, the money was all fing, had completely driven out of my ger, you know—I said to the servant coat pecket, which was hanging up in the rope, like."

I coul in he safe." But you had it in your pocket, ons of the North and South of England tank, which say that the accountant or ing away.

"Brooks," I said, ".hat watch-you know the ticket-it's stolen." lie was a slow-speeched man with a red face and a tremendous corporation.

"Nay," be says, "my lad thou'rt wrong there "What do you mean," I said, coloring up furiously? Every one suspected me,

"Whoi, it might hat been stolen once,

in prison? Old Brooks, what a capital

fellow you are!" "Nay," he said; "I knowed better nor that. Do you think I'd hexpose a customer? I know you gents don't care about these little matters getting abroad,

and so I slaps my fist on the counter, and I says, 'Hook it!' just like that. And away he went like a lamplighter." I sank down upon the counter, over-

powered with emotion.
"And what's more," went on Brooks "he never took up the money I'd lent him for the coat. "What cont?" I cried.

"A very nice brown coat he put up with me. About fit you, I should think. See, here it is." It was my identical brown great coat. wrapped up in a bundle, and tied round with my own handkerchief. I made a

dart at it, opened it, plunged my hand

into the breast-pocket-there was the roll of money, there were the £22,000. How did I go to the bank that morning, on legs or wings? And how did get home, as soon as I had put the money safe away? Mary knew by my face that it was all right; and didn't we have a

dance of joy all round the house! My burglar had been only a sort of sneak, after all, who had got in at an of the hall, but, if he had taken the pains to look into the pockets of the coat he'd have been a rich—though perhaps he, looking at me severely. "And what's miscrable and insecure—man, and I more, you had a glass with a friend. Ah! should have been utterly and deservedly ruined.

The Good Points of the Cockronch I am often asked whether the cockroach can have any redeeming points with regard to its relationship to civilized man, or whether it be not an unmitigated pest cockroaches in kitchens and outhouses. but when they come into bedrooms it is time that they should be abolished. I very much doubt whether they should be destroyed even under such circumstances. Cockroaches are not likely to take the trouble of going up stairs into bedrooms unless they have some object in it, and that object is generally the fi tter and smaller insect which prefers bedof this fact, and that "Norfolk Howards" and cockroaches can not exist in the same ship, and a curious instance of this fact is recorded in the "Narrative of Foster's

is recorded in the "Narrative of Foster's Voyage in the Chanticleer:" "Cockroaches, those nuisances to ships, are plentiful at St. Helena, and yet, bad as they are, they are more endurable than burs. Previous to our arrival here in Chanticleer we had suffered great inconvenience from the latter, but the cockroaches no sooner made their appearance than the burse entirely disuppeared. The fact is, the cockroach preys on them, and

orh a . ide Un."

which were sent by luggage-train, and which notwithstanding all researches and ious manner. The secret which the inwas at length revea ed by a rather amusing accident. A long box, on one side of which wich were words equivalent to "This is to certify that I have had the Asthma which wich were words equivalent to "This side up," had, in disregard of this caution, been set upon one end in the goodston to first word, and tell them all about shed Some time afterward the employed apparently proceeding from the box in question, begging the hearers to let the Royal Mail Steamer \*merica. peaker out. On opening the lid the railway officers were surprised and amused to find a man inside standing on his head. In the explanation which followed, the fellow wanted to account for his appearance under such unusual circumstances as due to the result of a wager; but he absence of the employes they had let them-elves out of the box, which they at once filled with any article they could lay their hands on, refastened the lid, and then decamped, leaving the box to be sent forward to its destination in accordance with the address upon it. But for the unfortunate inability of poor human nature to endure an inverted position for an indefinite period, the ingenious authors of the scheme might have flourished a long time without detection.

Shampooing.

The designs of Jost Amman are well known. He was born at Zurich in 1539. and 1560 removed to Nuremberg, where he produced wood-cuts, characterized by there were six muffs and four bonnets "Yes," I said.

my way to the station. I fe t like a great accuracy of drawing and correctmy way to the station. I fe t like a great accuracy of drawing and correctticket-of-leave man as I went into his ness of detail, with such rapidity that one of his pupils averred that his master produced a "hay-wagon load of them in four years." One of these pictures rep-Brooks gave a most portentous wink. resents a barber's shop, probably in Nuremberg. In front is seen the barber's chair, with a cu-tomer in it being shaved, while in the background is shown another customer undergoing the process of hair-washing. A fixed basin is apparently built against the wall (as at

present day). This is approached by three steps, on but it aren't no; 'ave got it here. This is the uppermost of which the victim is how it were. A cadring sort o' chap comes in and he says, 'Master, what'll you the basin. A bracket projecting from give me for this ticket?' New, you know the wall supports, at a considerable "So kind of you, my dear!" said my wife, kissing Mrs. Markby most affectionately. I could hear the reports where I stood.

"I every second lost may be ruin give me for this ticket?" Now, you know the wall superstant the bash. A bracket projecting from the says, what it you to us."

Away I went to the town hall. This was a big classic edifies, with an immense that kind of way, but I says to the chap: the perforated bottom of which the perforated bottom of which the perforated bottom of which the barber's ap-

you didn't go into the portico to get into it was yours, and I said to the man: 'My brentice operates upon the well-lathered and bullet-look ng head of the patient. Wasn't classical at all, but of the rudi-RAILROAD TIME TABLES lated does not appear. The whole pro-cess thus depicted by Jost Amman is exactly what may be seen and experienced acty what may be seen and experienced any day in Piccadilly. A copy of the wood-cut in question is given in Knight's "Pictorial Shakspeare," in illustration of the passage touching "the barber's chair" in "All's Well that Ends Well."

> Almost Young Again. "My mother was afflicted a long time

with neuralgis, and a dull, heavy inactive condition of the whole system; headache, nervous prestration, and was almost help-less. No physicians or medicines did her Three months ago she began to use Hop Bitters, with such good effect that she seems and feels young again, although over 70 years old. We think there is no other medicine fit to use in the family."-A lady, in Providence, R. I.

Troublesome Children,

That are always wetting their beds ought not to be scolded and punished for what they can not help. They need a medicine having a tonic effect on the kidneys and urinary organs. Such a medicine is Kidnev-Wort. It has a specific action. Do not

VENETIAN LINIMENT.

Warranted for 32 Years and Never Failed

## DR. TOBIAS' VENETIAN LINIMENT

Has given universal satisfaction since it has been introduced and the United States. After being tried by millions it has been proclaimed

The Pain Destroyer of the World

mend it as an External Remedy in Cases of

it is perfectly innocent to take internally. READ THE CERTIFICATES.

One Thousand Dollars will be paid if they are no all Genuine.

SEVERE RA UMATISM. State of New Jersey, Bergen County, Township of Hackensack, ss.

Thomas Johnson, of said township, being duly sword, doth depose and say, that he has been severely afflicted with rheunantism for above a year, and was so had that he could scarcely walk, being bent almost double, and was utterly unable to do any work. Having, heard of the wonderful cures made by Dr. Tobas' Venet an Liniment, he was induced to try it, and after using it a short time, was able to go to work agar, after being unable to do anything for nearly a year.

Sworn to before me.

Sworn to before me.
J. H. BRINCKERHOPP, Justice of the Peace.

17 North Moore at est, New York.

GREAT CURE OF RHEUMATI'M. This is to certify that I had the rheumatism in my hip so I could not stalk without my crutch, and after using Dr. Tobias Venetian Liminent a short time, I was entirely relieved and candidly believe it a most certain cure for cheumatism, as I have tried many hims without any good, and after using the Venetian Liminent for only 4 few days I was well.

201 Avenue B, New York.

DR. Torkas—Dear Str. I have used your valuable Venetian Lin ment n my practice as bone-setter, for the past five years, and consider it to besetter I ever tried for bathing briken bonest wounds, lame backs, sprains, see I have no best vation in recommending it to the public as the best article for all pains flesh is held to.

Yours truly, JAMES SWEET.

ASTHMA.

TO THE LADIES.

This is to certify that I have used and recommended Dr. Tobias' Venetian Liniment, and have found it useful in a variety of cases. It also been unfailing relief from the proposace and irritation consequent on mosquito bites, and prevents a mark being left.

J. A. GRAHAM, M. R. C. S., of London, Royal Mail steamship America, Jersey City, Juny 28th.

WHAT HORSEMEN WAYT.

Good Meliable Horse Limiment and Condition Powder, Such are to be found in DR. TOBIAS' HORSE INIMENT in plat buttles, and Derby Condition

If not superior to any other. The Horse L'niment is only half as strong as the Family Liniment, and will not take the har off if used as directed. The public appreciate it, as during the epizon is 3,141 bottles were sold in one day, as the follow-

ng onth will show: OATH.

This is to certify that I sold, on the 28th inst., three thousand one hundred and forty-one (3.141) buttes of my Venetian Liniment.

8. I. TORIAS.

Sworn and subscribed to before one, this 28th day of October, 1872.

Commissioner of Deeds.

PROTICOL. D. MCDANIEL, Owner of Some of the Fastest Run-ning Horses in the World.

This is to certif that I have used Dr. Tobias, Horse Venetian Liudment and Derby Condution Powders, on my race-horses, and found thom give perfect satisfaction. In fact, they have never falled to enre any allment for which they were used; the Lintment, when rubbed in by the hand, never blisters or takes the hair off, it has more penetralize qualities than any other I have treed, which I suppose is the secured of its wonderful success in curing sorains. The ingredients from which the Derby Powders are made have been made known to me by Dr. Tobias; they are perfectly harmless.

D. McDANIEL.

From Col. C. H. Delevan. From Col. C. F. B. Pelevan.

New York, April 20, 1877.

After years of use, it a was me pleasure to certify to the virtues of Dr. Tobias' Venetian. Horse Liniment. It has saved the life of one of my four-horse black team. This recommendation I give without solicitation, as I think owners of horses should know its value.

CHAR! ES H. DELAVAN.
